

Magellan® 8400

High Performance Bi-optic Scanner/Scale

High Performance, Outstanding Quality and Reliability, Excellent Value

The Magellan 8400 is the highest performance 5-sided POS scanner available, improving operational efficiency by achieving outstanding first-pass-read rates. It represents the next step in value and checkout productivity from the Magellan family and Datalogic. The Magellan 8400 breaks previous records of performance, reliability and value for this class of high performance 5-sided bi-optic scanners.

The Magellan 8400 scanner offers the newest Datalogic bi-optic technology, which increases performance, while offering outstanding value. The Magellan 8400 scanner inherits the Magellan family's renowned quality and reliability.

The Magellan 8400 scanner is available with Datalogic's exclusive, patented All-Weighs® platter and optional integrated EAS (Checkpoint® or Sensormatic®).

Designed for supermarkets, hypermarkets, mass merchandisers, and wholesale clubs, the Magellan 8400 is available as either a scanner/scale or as a scanner only model. Each is available in three lengths: regular, medium, and short (scanner only).

FEATURES	BENEFITS
<ul style="list-style-type: none"> Next Generation Magellan Design <i>Hardware and software innovations improve scanner performance</i> - Class leading first pass read rate - Significant reduction in parts 	<ul style="list-style-type: none"> Improved front end productivity Outstanding performance on hard-to-read labels Compact, sealed scan engine provides better dust and moisture protection
<ul style="list-style-type: none"> Single motor design increases reliability - Innovative, patented design 	<ul style="list-style-type: none"> Better reliability and performance than multiple motor scanners Efficient power consumption - Lower energy costs
<ul style="list-style-type: none"> High performance on GSI DataBar™ code (RSS) 	<ul style="list-style-type: none"> Protects investment by supporting the new GSI DataBar™ symbology on small items and produce
<ul style="list-style-type: none"> Patented All-Weighs® Scale Platter - Platter combines both horizontal and vertical weighing surfaces - Class leading scale settling time 	<ul style="list-style-type: none"> Reduction of produce shrink by 1% - 3% Faster transaction times – Increased throughput
